Who is Running Alliance Sport?

Established in 2011, Running Alliance Sport (RAS) is a 501(c)3 non-profit organization and our motto is, "By Runners, For Runners." We are governed by a Board of Directors and have the support of hundreds of volunteers from a large geographical area.

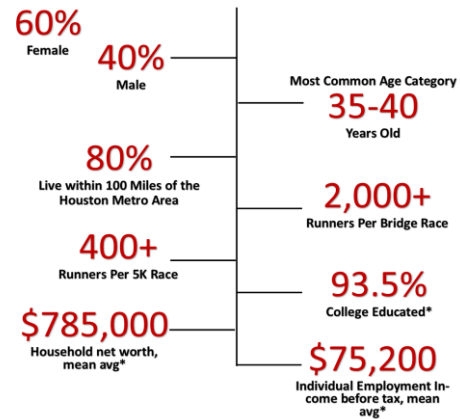

Why Running Alliance Sport?

We are runners or have been runners and we use our passion for running to know what aspects are important to runners and we take pride in organizing a race by putting our hearts into creating, organizing, staffing and running these events.

We love this community and donate net proceeds to local charitable causes to impact our local community.

The Running Alliance Sport Impact in our Community Today:

RAS has donated over **\$914,000** to local charities to date through our Texas 5K and Texas Bridge Series races.

- ✦ Bridge Over Troubled Waters;
- ✦ Baytown Special Rodeo;
- ✦ Marathon Club: Ed White Elementary;
- ✦ Many more through the years; and
- ✦ Always looking for new potential benefactors and partners!

“2020 marks our 9th year to partner with Running Alliance Sport’s races and the blessings to this agency and those we serve continue to abound. In fact, we refer to it as our pot of gold at the end of the rainbow. Not only has The Bridge received hundreds of thousands in cash with more to come this year, but each of the more than 2,500 runners and several hundred volunteers each year learn about The Bridge and are encouraged to help and get involved with our mission to prevent domestic and sexual violence and homelessness. Many of them have in turn volunteered at the shelter, made donations, or have sponsored or attended our special events.”

– Rebecca Kyles, The Bridge Over Troubled Waters
